Minority Scholarship to NCCL

The National Conference of Constituency Leaders provides a training ground for members, many of whom go on to become active leaders in their state chapters and even national leaders in many instances. To assist in the development of future leaders, the TAFP Commission on Membership and Member Services has created an opportunity for a minority physician to attend NCCL as a general registrant to encourage participation of minority members in our chapter and foster active participation at the national and state levels. Applications for this \$1,000 scholarship will be reviewed by the Commission on Membership and Member Services and one recipient will be selected.

CRITERIA FOR SELECTION

2. Membership in the Texas Academy of Family Physicians.
3. Previous or current service in TAFP.

You may include any other appropriate details to aid the Commission in evaluation.

All nominations and supporting materials must be submitted by **Feb. 8, 2019**. Entries submitted after the deadline will not be considered for the scholarship.
