If any member has violated the principles of medical ethics or the Bylaws of this Academy, or is otherwise guilty of conduct justifying censure, suspension, or expulsion from this organization, any member may bring charges against him/her. Charges must be filed with the Chief Executive Officer/Executive Vice President of the TAFP. At the first meeting of the TAFP Board of Directors held after the filing of charges, the charges must be presented to the Board. If the Board fails to dismiss the charges, it shall, within 15 days, serve the charges to the accused through registered mail to the last known address of the accused. The Board shall also fix a time and place for hearing the charges and the accused shall be notified of the time and place in the same manner as the serving of the charges. The hearing shall not be less than 15 days or more than six months after serving of charges.

The accused may answer in writing but failure to do so shall not be an admission of guilt or a waiver of the accused right to a hearing. The Board shall give the accuser and the accused opportunity to be heard, including oral arguments, and the filing and consideration of written briefs, conclude the hearing and within 30 days render a decision. The affirmative votes of the majority of the Board members present and voting shall constitute the verdict of the Board which by such vote may exonerate, censure, suspend, or expel the accused member. Such action is not to be considered as penalizing the inactive chapter, but to allow the membership in such chapter a voice and representation in the affairs of the Texas Academy of Family Physicians. Should a component chapter request dissolution, each member will be polled for their approval. If there is a majority, each member will be assigned to the selected component chapter of their closest community interest.
